Then she would weave a story and take your money for a cat trinket.

I heard the girl that confessed to you was really a guy?

Uh huh!

That fortuneteller is a con-artist, she would eavesdrop on people's conversation and use it to trick people.

Eh?

Graduation

here.

Koizumi-san!
How long are
you going to
take your

The story of

The work

graduation
committee

picking up as
well.

Now, let's
decide
what kind
of play.

Therefore, for
the pre graduation
party entertainment,
our class will do a
play.

you'll never
get another
chance to
sit in one.

I don't
care how
long you're
going to
live,

Even if you
make 100,
I wouldn't
sit in it!

Who else
is going
to sit in
it then?

Hey, what
are you
guys doing,
hurry up.

yes...
yes...

HEY
what
gives?

Don't
bother!

All right!
I'm going to
use my power
to let
Issunboushi
go first.

today we're
having a
lottery to set
up the order
of the events.

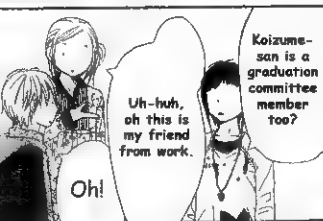

Yes,

Would the
committee
members
from other
classes be
there?

I wish everyone can have lots of great memories here!

An activity like this for the entire class, will be the last time...

Uh-huh, oh this is my friend from work.

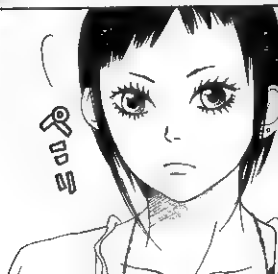

Koizume-san is a graduation committee member too?

Oh!

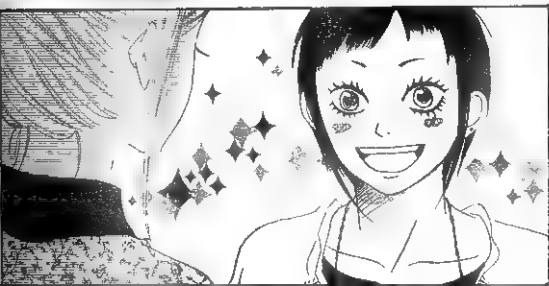

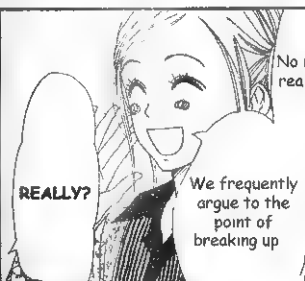

Ah

Abe-san!

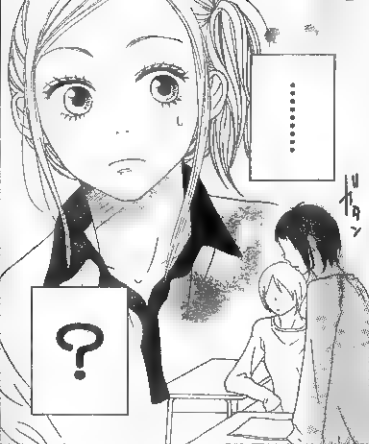

Yes

No way!

Maybe it's me, love at first sight!

I told you, I'm not going to do this.

uh!

Unbelievable! Issunboushi is going to be the third performance, not the beginning nor the end.

You're pretty excited.

What should I wear?

It doesn't matter, this is the last time.

Am I thinking too much?

So emotional...

So soon...

You're right.

But after all that, it'll finally be the graduation.

Yes.

After the performances, there's a dance party. Darling, we have to dance together.

Ah, I'm so embarrassed
Thank you!

You left this in the classroom

That's it.

you forgot something.

Kaizumi-san,

Thank you again.

How can you forget an important item like that

Really? Let me see, let me see.

I gave it to sensei before the meeting, he wanted to pick the year book pictures from these pictures we took over the year

What is that?

Ha ha, great memories

And look at this one.

When is this one?

Hey!

Eh?

No way!

How come
there aren't
any pictures
of me?

No matter how much you beg, Koizumi will not split up with me and go with Kohori-san, forget about it
